HW: CLAIM/COUNTERCLAIM RESPONSE

	a more positive or negative effect on the world?" Defend your argument using details from the information provided and your knowledge of world history. This is not a full essay, so there's no introduction and conclusion. Just write one paragraph supporting your claim, and a 2nd paragraph acknowledging (but refuting) the counter-claim. [Refute means to prove false.] Use at least 5 of the documents. Use at least 1 piece of outside information (info NOT from the documents). Use a proper method of document citation.
