

STUDY GUIDE FOR UNIT TEST 2:
TRANSFORMATIONS IN ASIA (1450-1750)

How To Study: Complete the study guide using your class notes and textbook Chapters 19 and 20. Some of the questions from Chapters 19 will be repeats from the Chapter 19 quiz. Therefore, you may want to dedicate more of your study time to Chapter 20.

Format: 50 multiple choice

Topics/Themes:

Make sure that you are familiar with:

1. how the empires of this era (Ottoman, Mughal, Safavid, Qing, Russian) were built.
2. the basic economic, political, and social characteristics of these empires.
3. the internal and external factors that led to the decline of these empires.
4. The ways that these empires interacted with Europeans.
5. Changes in Japan brought about by the rise of the Tokugawa political system.

Key Term IDs: For each key term, write a short paragraph (*at least 3 sentences*) that defines the term and explains its significance.
